

Property Information Sheet

Name and Address

Andy and Ruth
72 Charlton Rise
Ludlow
SY8 1ND

Property Description

Brick, detached. Built 1987 with cavity wall insulation

What changes have you made to your home?

Air source heat pump £9500
Solar panels £5000
New double glazed windows £7500
300mm insulation in loft

Why did you make these changes?

To make the house warmer and more energy efficient

What were the approximate costs?

£22000. See above

What have been the approximate energy savings?

No idea as we improved the house when we moved in in August 2020.

Property Information Sheet continued...

What have been the effects on your home?

Draught free and warm

Who undertook the work?

Solar panels and heat pump installed by Caplor Energy

Would you recommend them?

For solar panels but not for heat pump

What else would you like to do? And why haven't you done them yet?

Install batteries but at present they are too expensive

Have you considered any measures but rejected them? Please give details of what and why.

No

Are there any access issues? Eg steep steps, lack of parking.

No issues
