

## Property Information Sheet

### Name and Address

Alf and Helen  
Sweet Appletree Cottage  
Wistanswick  
Market Drayton  
TF9 2AZ

### Property Description

Red brick newbuild

### What changes have you made to your home?

Air source heat pump with underfloor heating  
Log burner  
Solar PV  
Rainwater harvesting

### Why did you make these changes?

Climate change.

I went to an exhibition in Crewe in 1963. Cheshire Council was showing off its services, it had built a school that didn't need any heating, it was south facing with triple glazed windows. What if we had built all schools like that since?

### What were the approximate costs?

£280,000

### What have been the approximate energy savings?

What we get from the solar PV almost covers the cost of the electricity we import

## Property Information Sheet continued...

What have been the effects on your home?

Who undertook the work?

A local builder Rob Bromley

Would you recommend them?

Yes

What else would you like to do? And why haven't you done them yet?

Nothing we can't afford it

Have you considered any measures but rejected them? Please give details of what and why.

No

Do you have any further comments?

Think very carefully before you do anything

Are there any access issues? Eg steep steps, lack of parking.

All flat
